## **COMPLETION OF SALE OF UNMARKETABLE PARCELS**

The Board of Emerald Oil and Gas NL (**EMR** or **Company**) is pleased to announce the completion of the unmarketable parcel sale process.

The unmarketable parcel sale process allowed shareholders with less than a marketable parcel of shares to exit the Company's register without brokerage fees, reducing administrative and other costs associated with those holding a small parcel of shares.

A total of 6,143,272 shares were sold on market at 2.6 cents per share for proceeds of \$159,725 before costs. The net proceeds of the sale are to be forwarded on a proportional basis to those shareholders who participated in the process shortly.
